	XL	7
Boys 8-20	S	8 or 10
	M	12 or 14
	L	16 or 18
	XL	20
<p>*Note: A numeric size must always be used when tagging all clothing items. If the garment is a letter size that could be two different sizes, follow this simple rule.</p>		
<p>Example: A size small shirt can sized as either an 8 or a 10. If the shirt runs small, label the garment as an 8. If the garment runs large, label the item as a size 10.</p>
